Those are the two main ones but we may want to expand on that to program office staffing.

Thank you (b)(6);(b)(7)(C). The only item we may want to expand on this is (b)(6);(b)(7)(C) – should we also add your note about staffing that you added earlier to the deck?

- Q: If USBP does identify new fence requirements for funding, what are the key enablers to expeditiously completing fence construction?
A: Waiver of applicable environmental and land management laws
